PRODUCT OF NEW ZEALAND

In a typical Moscato d'Asti style this wine is light, fresh, fruity, low in alcohol and thoroughly drinkable. Soft and perfumed and quite exotic, this tantalising wine bursts with tropical fruit including melon and white peach

In the 19th Century, if someone stole your wife, girlfriend or a couple of your sheep you would challenge them to a duel, at dawn. Now in the 21st century the @ symbol represents the keystone that enables immediate faceless communication with friend or foe, anywhere in the world while still remaining smiling. And those who desire a Summer holiday far from the madding crowds will come to realise that, having endured the torturous highway to the secluded beaches of Gisborne, allows the unique opportunity to view the dawn of each new day well before anyone else. Literally, the front porch of New Zealand.

In a typical Moscato d'Asti style this wine is light, fresh, fruity, low in alcohol and thoroughly drinkable.. Soft and perfumed and quite exotic, this tantalising wine bursts with tropical fruit including melon and white peach. It has a soft, full and a very drinkable lingering sweetness, which you can taste for hours. The perfect summer wine just to drink and reflect.
