

25th
VINTAGE
1984-2008

In a typical Moscato d'Asti style this wine is light, fresh, fruity, low in alcohol and thoroughly drinkable. Intensely perfumed and quite exotic, this tantalising wine bursts with tropical fruit including melon and white peach.

"Antiquity into the modern era"

In the 19th Century, if someone stole your wife, girlfriend or a couple of your sheep you would challenge them to a duel, at dawn.

Now in the 21st century the @ symbol represents the keystroke that enables immediate faceless communication with friend or foe, anywhere in the world while still remaining smiling. And those who desire a Summer holiday far from the madding crowds will come to realise that, having endured the torturous highway to the secluded beaches of Gisborne, allows the unique opportunity to view the dawn of each new day well before anyone else. Literally, the front porch of New Zealand.

Notes from the Winemaker:

In a typical Moscato d'Asti style this wine is light, fresh, fruity, low in alcohol and thoroughly drinkable. Soft and intensely perfumed and quite exotic, this tantalising wine bursts with tropical fruit including melon and white peach. It has a soft, full and a very drinkable lingering sweetness, which you can taste for hours. The quintessential summer wine just to drink and reflect.

Serve well chilled.

Suitable for vegan consumption.

In keeping with the immediate trend, this wine has been sealed with a Stelvin closure.
