

CRAZY by NATURE

COSMO RED

GISBORNE 2013
NEW ZEALAND WINE

A blend of Malbec, Syrah and Viognier, this year joined with the supple embrace of Merlot. Dark and brooding as a late night kiss, with a lifted spice, tingling aromas quite unique to this wine and its own natural surroundings. The taste is dense but still alive, mint, chocolate, Asian spice, and warmth of feather pillow for a fatigued head.

“In 1984 they thought we were crazy to grow our grapes organically. We’ve spent the last thirty years proving that they were right! Now, it seems everybody wants to be crazy, and that’s just what this planet needs. Crazy by Nature – makes perfect sense.”

James Millton has crafted this unique blend of red wine for the enjoyment of many people. A blend of Malbec, Syrah and Viognier, this year joined with the supple embrace of Merlot.

Dark and brooding as a late night kiss, with a lifted spice, tingling aromas quite unique to this wine and its own natural surroundings. The taste is dense but still alive, mint, chocolate, Asian spice, and warmth of a feather pillow for a fatigued head.

To enhance the synaesthetic effect close your eyes while smelling this wine and imagine how a summer’s day might feel while walking in this vineyard.

Grown biodynamically using special herbal, mineral and animal preparations and with compassion for the laws of nature. We have not used any herbicide, insecticide, systemic fungicide or soluble fertilizer to produce these grapes nor any foreign yeasts or bacteria’s to ferment the grape juice. This wine was aged in American oak barrels for 11 months.
